TOTAL CREDIT HOURS 66 credit hours

NOTES: A course may be used only once to fulfill degree requirements.
 While a grade of D or higher will satisfy NVC degree requirements for non-prerequisite courses, most institutions require a grade of C or higher in order for a course to be considered for transfer.
 A grade of C or higher is required for all prerequisite and technical courses.
 Check with the transfer institution to ensure that the courses taken at NVC will apply to the appropriate degree program.
 *Select courses from the Core Curriculum selection list when specific courses are not listed.
 ^ Students must complete three semesters on same instrument or voice.
 ^^ Course may be repeated for credit

Transfer coursework is *unofficial* until all official transcripts are evaluated and posted.

Kinesiology [090]

2 Credit Hours

Take any combination of Kinesiology (KINE) or Dance (DANC) that equal at least two (2) credit hours*

NOTE: All Core Curricula must include courses in the 010, 020, 030, 040, 050, 060, 070 and 080 categories. Institutions then select from the remaining categories (011, 021, 031, 041, 081 and 090) to complete their own Core Curriculum. Because of all the combinations available, it is very likely that while similar, no two institutions will have exactly the same Core Curriculum. Never fear! If you complete the Core Curriculum at one institution, it really does substitute for the Core Curriculum at any other public college or university in Texas, even if there are differences (taken from <http://statecore.its.txstate.edu/>) Also, view Title 19, Part 1, Chapter 4, Subchapter B, Rule §4.28 at [http://info.sos.state.tx.us/pls/pub/readtac\\$ext.viewtac](http://info.sos.state.tx.us/pls/pub/readtac$ext.viewtac).

*Lab Science Courses are optional.

*Please consult the Catalog for specific courses that qualify (see <http://myvccatalog.alamo.edu/>).

Additional courses that satisfy core requirements may be offered at other Alamo Colleges.
