

NORTHWEST VISTA COLLEGE
COMMUNITY HEALTH WORKER
 CERTIFICATE PROGRAM
2009-2010 Catalog

This program prepares students to work in public health, private health care delivery systems, community-based social service agencies, and health care insurance organizations. Community Health Workers provide services to increase wellness and improve access to health services through outreach activities to target populations. The program will train students to develop positive relationships with individuals who need assistance and support in developing healthy behaviors, utilizing health resources, and gaining educational support to prevent or alleviate the effects of chronic disease. Emphasis is on health education, health promotion and community outreach. Coursework in this program is intended to develop and enhance the skills of community health advisors, social and human service assistants, and other people interested in working in the field of social work, community health and advocacy. The Community Health Worker program is certified by the Texas State Department of Health as an authorized and certified training site for Community Health Workers.

*NOTES: A course may be used only once to fulfill degree requirements.
 A grade of C or higher is required for all prerequisite and technical courses; while a grade of D or higher will satisfy NVC degree requirements for non-prerequisite courses.
 Most institutions require a grade of C or higher in order for a course to be considered for transfer.
 Check with the transfer institution to ensure that the courses taken at NVC will apply to the appropriate degree program.
 Select courses from the Core Curriculum selection list when specific courses are not listed.
