

NORTHWEST VISTA COLLEGE
MULTIMEDIA TECHNOLOGY
 CERTIFICATE PROGRAM
2009-2010 Catalog

The Multimedia Technology program goes beyond design to teach students the tools needed to produce attractive and effective interactive media. This training focuses on the production of client-side interfaces and applications – what the end-user sees and interacts with. Graduates of this program are prepared for entry-level employment as Web Designers, Media Authors, Audiovisual Specialists, and Multimedia Designers/Specialists. Employment in these and related positions are in demand across most industries. Multimedia Technology training requires strong emphasis on the use of software, tools, and technology. This program conducts training using cutting-edge skills and technologies employers need, including: Adobe Photoshop, Illustrator, Dreamweaver, Flash, Flex, and new content-management systems.

Total	4

NOTES: A course may be used only once to fulfill degree requirements.
 A grade of C or higher is required for all prerequisite and technical courses; while a grade of D or higher will satisfy NVC degree requirements for non-prerequisite courses.
 Most institutions require a grade of C or higher in order for a course to be considered for transfer.
 Check with the transfer institution to ensure that the courses taken at NVC will apply to the appropriate degree program.
 *Select courses from the Core Curriculum selection list when specific courses are not listed.
